MESSAGE:

Dear Examiner Tran:

I left a voice mail for you today regarding the prior art references that you still do not have for this case.

I am attaching copies of the four Form PTO-1449s that have been filed throughout the prosecution of this case. Perhaps when you call me back you can use this as a reference for what is still missing from the file.

We have now sent you (at least) twice all of the references on the 9-page PTO-1449. We hope that those are not the ones lost at the PTO. If they are, we must work out a better way to send them to you. We have previously packed them in a box to send them. Perhaps Express Mail would be better?

Let us know when you call back.
